# INTRODUCTION

The 2026 Saskatchewan Oil & Gas Show is still a number of months away but the business of producing our "21st Biennial Show" has begun. Sponsorships are a very integral part of the ongoing success the show has enjoyed. This support allows us to promote and produce the show as well as to successfully showcase this very important Saskatchewan industry. We have various levels of sponsorship as outlined in this package.

If you would like to pursue any one of these partnership opportunities, please contact our Show Manager - Monica Osborn at (306)842-3232 or e-mail [info@saskoilshow.com](mailto:info@saskoilshow.com)
